CARS 4 CAUSES[®]

The Charity That Gives to Charities

Cars 4 Causes has an unique vehicle donation program, where by, your organization can realize immediate and continual donations with **absolutely no obligation or liability**. In addition to your organization benefiting from this program, the contributor receives an acknowledgment required for a vehicle contribution deduction. Cars 4 Causes and participating organizations promote the vehicle donation program through your available methods (i.e. newsletters, flyers, programs, bulletins and mailers).

How Our Program Works

Step 1: A donor contacts Cars 4 Causes by phoning 800-766-CARE (800-766-2273). The donor has the opportunity to designate a charity they would like to benefit from the proceeds of thier donation.

Step 2: We pick up the vehicle - towing it to one of our four southland locations at no charge to the donor - then get it ready for sale by completing minor repairs, and securing all DMV paperwork. We also have the vehicle smog-checked to be certain it meets state requirements.

Step 3: We advertise and sell vehicles to get the highest possible price. When the vehicle is sold we send a check to the designated non-profit organization.

Step 4: After the vehicle is sold we provide donors with a written acknowledgment required for a vehicle contribution deduction for the selling price of the vehicle. Plus we send an individualized personal thank you letter.

HOW TO PARTICIPATE

You just simply decide to participate and a Cars 4 Causes representative will assist you in the most effective ways to promote the vehicle donation program.

It's painless fundraising. The program has worked for numerous charities, schools and church groups in local areas. Let it work for you by letting your donors know that they can help raise funds for your organization while saving on their taxes.
